The quality and dedication of Airbusâ€™™ passionate, highly-skilled and experienced workforce has shaped the implementation of innovative courseware, highly-qualified instructors and the most advanced training technologies available on the market; these are the pillars of the Airbus training offer.

Training - Airbus

According to Airbus, the A330-300â€™™s typical OEW is 267,200lbs-274,500lbs. In addition, for both the A330-200 and -300, Airbus points out that while the lower take-off weights still exist as certified options, all recent customers have taken delivery of only the newest and most capable weight variants. This ensures ample range capability.
