I read the hard cover version and enjoyed the quick pace, but got enough character development along the way to keep me hooked. The web jargon isn't too specific, so you know what's going on but aren't bored, the comic pages in the book are an excellent addition to the text and it was easy to root for all the characters.

This is a list of British princesses from the accession of George I in 1714. This article deals with both princesses of the blood royal and women who become princesses upon marriage. The use of the title of Princess of the United Kingdom of Great Britain and Northern Ireland is entirely at the will of the sovereign. Individuals holding the title of princess are styled "Her Royal Highness" (HRH).
