About three years ago, my family was happily living in a comfortable, mortgage-free house. There was more than enough room for everyone, it was in a walkable neighborhood, and thanks to some unexpected boosts in our family income, life was more affordable than ever. But suddenly, perhaps due to some ...

Building a tiny house on a trailer is one way to avoid certain limitations that are often unavoidable when building on permanent foundations. For example, while building codes can be a great guide for building a safe home, I've never heard of a planning department expressing any desire to examine a

I'm not a Solarpunk, I just play one in real life, it seems. While Charlie's out doing important stuff, I decided I'd drop a brief, meandering essay in here for the regular crowd of commenters to say some variation on, "Why yes, that's (adjective) obvious," and to eventually turn the conversation around to the relative merits of either trains or 20th Century weapons systems, if we can get past ...
