Inheritance

Brisingr is the third novel in the Inheritance Cycle by Christopher Paolini. It was released on September 20, 2008. Originally, Paolini intended to conclude the then Inheritance Trilogy in three books, but during writing the third book he decided that the series was too complex to conclude in one book, because the single book would be close to 1,500 pages long.

Brisingr - Wikipedia

This is a list of key characters in the Inheritance Cycle, a fantasy series by Christopher Paolini. The series contains several hundred characters, while the following list contains only the most frequently mentioned. Many of the names Paolini has used originate from Old Norse, German, Old English, and Russian sources, as well as the invented languages.
