Warhammer (formerly Warhammer Fantasy Battle) is a miniature wargame that simulates battles between terrestrial armies, with a medieval fantasy theme.. As in other miniature wargames, players use miniature models to represent warriors and artillery. The playing field is a model battlefield comprising scale models of buildings, trees, hills, and other features.

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.

A time series is a series of data points indexed (or listed or graphed) in time order. Most commonly, a time series is a sequence taken at successive equally spaced points in time. Thus it is a sequence of discrete-time data. Examples of time series are heights of ocean tides, counts of sunspots, and the daily closing value of the Dow Jones Industrial Average.
