Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.

A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).

Traditionally, design practice and design education have focused on giving form to physical things—apparel, buildings, messages, tools, and vehicles—the artifacts that constitute material culture. These artifacts are also the material of the traditional design disciplines—apparel design, architecture, graphic design, product design, and transportation design.
