What is Real Estate Wholesaling? What terminology must you know? How to calculate offers on deals before you make them? We cover all these topics in this wholesale investing case study, along with an example of a deal and other great content!

Real Estate Wholesaling Explained | Wholesale Investing

A real estate transaction is the process whereby rights in a unit of property (or designated real estate) is transferred between two or more parties, e.g. in case of conveyance one party being the seller(s) and the other being the buyer(s). It can often be quite complicated due to the complexity of the property rights being transferred, the amount of money being exchanged, and government ...
