Reinterpreting The French Revolution A Global Historical

In Reinterpreting the French Revolution: A Global-Historical Perspective, Bailey Stone investigates the impact of France's geo-strategic needs on the French Revolution, and especially on domestic reform in this period. While admitting that the ideological, political and social pressures on French policy makers were immense, Stone asserts that the main motivation "and at times the main ...

Reinterpreting the French Revolution: A Global-Historical

Reinterpreting the French Revolution in reassessing the important foreign and domestic policies of the period and retracing the twists and turns of domestic politics, to underscore the complex ways in which those policies and politics, mediated continually by the political culture of the day, mirrored both European and uniquely French realities.
