

reports 2d series issue pdf

In American law, the American Law Reports are a resource used by American lawyers to find a variety of sources relating to specific legal rules, doctrines, or principles. It has been published since 1919, originally by Lawyers Cooperative Publishing, and currently by West (a business unit of Thomson Reuters) and remains an important tool for legal research.

American Law Reports - Wikipedia

Case citation is a system used by legal professionals to identify past court case decisions, either in series of books called reporters or law reports, or in a neutral style that identifies a decision regardless of where it is reported. Case citations are formatted differently in different jurisdictions, but generally contain the same key information.. A legal citation is a "reference to a ...

1. Introduction. With the boosting of data, there is a dire demand on presenting and analyzing the data (Wang et al., 2016), eliciting the rapid construction tools of data visualization. While there have been a dozen of authoring systems and programming toolkits for visual design and development (Mei et al., 2018), it is still cumbersome for users, such as data analysts or interface designers ...
