Rethinking the sociology of tourism - ScienceDirect

tendency to eschew the social, to reassess the contribution sociology can make to understanding mental health and disorder, and to identify ways in which the relevance of sociology can be reaffirmed and its work advanced and, if necessary, redirected. We need to rethink the sociology of mental health.

Introduction: Rethinking the sociology of mental health

This collection has been specifically motivated by: (1) how reconceptualising stigma might assist in developing better understandings of pressing contemporary problems of social decomposition, inequality and injustice; (2) a concern to decolonise the discipline of sociology by interrogating its major theorists and concepts; and (3) a desire to put class struggle and racism at the centre of understandings of stigma as a classificatory form of power.

Rethinking the sociology of stigma - Imogen Tyler, Tom

To date, in terms of the discipline of sociology, Goffman's stigma-concept has been taken up most enthusiastically within the sociological subfield of symbolic interactionism.
