In this essay I offer an alternative explanation for women's public indifference or outright hostility to feminism, arguing that it is a result of the rhetoric and positions adopted by feminists themselves, especially those working in academic women's studies.

### **Rhetoric and reality in women's studies | SpringerLink**

Dorothy Day's sense of herself as a woman and as a mother feature prominently in her writings. In light of recent inquiries into gender identity and gender ideology, and given Dorothy Day's prominence as editor, social activist, anarchist, pacifist, and religious author, questions about her views regarding woman's role and related feminist concerns invite investigation.
