

### **rock climbing guide to pdf**

Rock climbing is an activity in which participants climb up, down or across natural rock formations or artificial rock walls. The goal is to reach the summit of a formation or the endpoint of a usually pre-defined route without falling. Professional rock climbing competitions have the objectives of either completing the route in the quickest possible time or attaining the farthest point on an ...

Rock and ice climbing is divided into two categories: Tier I and Tier II. (i) Tier I climbing means the unrestricted sport as described in Part 197.2(h). (j) Tier II means the sport as described in 197.2(h) restricted to single pitch, not more than 150 feet in height, top rope climbing only. Top rope climbing is defined as climbing when the belay stance, anchor, or protection point for the ...
