CS Fundamentals Express combines the best of Courses A-F into a single condensed course (with a simpler option for pre-readers). We recommend Courses A-F for most classrooms, but if your school only offers one computer science course or you want to have your students work through multiple courses in a single year, the Express course is a better choice.

The decline of newspapers has been widely debated, as the industry has faced slumping ad sales, the loss of much classified advertising and precipitous drops in circulation. In recent years the number of newspapers slated for closure, bankruptcy or severe cutbacks has risen, especially in the United States, where the industry has shed a fifth of its journalists since 2001.
