1 Setting Healthy Personal Boundaries What is a boundary? A boundary is the: Emotional and physical space between you and another person.

Setting Healthy Personal Boundaries

Planetary boundaries is a concept involving Earth system processes which contain environmental boundaries, proposed in 2009 by a group of Earth system and environmental scientists led by Johan Rockström from the Stockholm Resilience Centre and Will Steffen from the Australian National University. The group wanted to define a "safe operating space for humanity" for the international community
