The survival horror video games series Silent Hill features a large cast of characters. The games' player characters are "everymen", in contrast to action-oriented survival horror video game series featuring combat-trained player characters, such as Resident Evil. The games are set in the series' eponymous fictional American town. Characters went through several different conceptual phases ...

1 Introduction. sed is a stream editor. A stream editor is used to perform basic text transformations on an input stream (a file or input from a pipeline). While in some ways similar to an editor which permits scripted edits (such as ed), sed works by making only one pass over the input(s), and is consequently more efficient. But it is sed's ability to filter text in a pipeline which ...
