The Silent Pain Teen Bullying: Miranda's Story Of Courage

The problem, however, is not with the victim, and typically, there is nothing they can do as the abuser is unreasonable when doling out the silent treatment. It can ruin relationships in the long run. A victim of the silent treatment abuse will usually only put up with being ignored for a certain amount of time.

What Is Silent Treatment Abuse and How Damaging It Can

Domestic abuse or Intimate Partner Violence (IPV) is any form of physical or sexual assault; stalking or psychological harm, inflicted by a current or former partner. As with most types of relationship abuse, the silent treatment usually begins rather innocuously.

7 Shocking Facts About the Silent Treatment in a

The victims of abuse begin to buy into the lie that somehow they are to blame. Perhaps the victims of abuse choose to stay silent out of shame, guilt or because so much of the abuse happens behind closed doors.

Emotional Abuse: Silent Killer of Marriage

Domestic Violence: A Silent Pain By Shaheen Tokhi October 14, 2014 CNS photo illustration / Greg Tarczynski Millions of people are victims of domestic violence every year, but very rarely does it come into the spotlight.

Domestic Violence: A Silent Pain | Busted Halo

The silent treatment is a punishment common in relationships, when one partner completely ignores the other, going through their day as if they were no longer there. Silent treatment abuse, it can be argued, is more abusive than physical harm as it can be considered a form of torture the longer it goes on.
