Social Norms Theory and Research (Berkowitz) - 5 Introduction The social norms approach provides a theory of human behavior that has important

### **The Social Norms Approach: Theory, Research, and Annotated**

A social movement is a type of group action. Social movements can be defined as "organizational structures and strategies that may empower oppressed populations to mount effective challenges and resist the more powerful and advantaged elites". They are large, sometimes informal, groupings of individuals or organizations which focus on specific political or social issues.
