In the Nightside Eclipse is the first studio album and fourth official release by Norwegian black metal band Emperor, released in 1994 through Candlelight Records. It was the last album to feature drummer Faust and the only one to feature one-time bassist Tchor. Considered a landmark in the black metal scene, the album has been ranked by critics as one of the most influential albums of the genre.

A lot more info, not all of it appearing in DXLD later, is posted at our yg without delay. When applying, please identify yourself with your real name and location, and say something about why you want to join. Those who do not, unless I recognize them, will be prompted once to do so and no action will be taken otherwise.
