"A book of magic is also a magical book,"™ as one historian of the subject has observed. 3 As this suggests, I am concerned with the history of books and not just the magic they contained.

Grimoires - A History of Magic Books

This book explains the mechanics of three independent magic systems (spirit magic, divine magic and wizardry) and details ritual magic, a system common to shamans, priests and wizards. Spirit Magic considers the shaman, the natural energy currents of the world, and how to communicate with the spirits which live close to it.
