Classical music is art music produced or rooted in the traditions of Western culture, including both liturgical (religious) and secular music. While a more precise term is also used to refer to the period from 1750 to 1820 (the Classical period), this article is about the broad span of time from before the 6th century AD to the present day, which includes the Classical period and various other ...

Classical music - Wikipedia

"Classical music" and "art music" are terms that have been used to refer to music of different cultural origins and traditions. Such traditions often date to a period regarded as the "golden age" of music for a particular culture. The following table lists music styles from throughout the world and the period in history when that tradition was developed:
