This article focuses on poetry from the United Kingdom written in the English language. The article does not cover poetry from other countries where the English language is spoken, including Southern Ireland after December 1922.. The earliest surviving English poetry, written in Anglo-Saxon, the direct predecessor of modern English, may have been composed as early as the 7th century.

Poetry (the term derives from a variant of the Greek term, poiesis, "making") is a form of literature that uses aesthetic and rhythmic qualities of language—such as phonaesthetics, sound symbolism, and metre—to evoke meanings in addition to, or in place of, the prosaic ostensible meaning.. Poetry has a very long history, dating back to prehistorical times with the creation of hunting ...

vii Introduction This is a practical manual of self-transformation. It takes the form of a working edition of the mythological poems of the ancient Norse Poetic Edda for modern “œpagans” who practice the magic and religion of the North. The poems of the Poetic Edda form the most complete and authentic body of surviving pre-Christian Germanic religious and magical lore.
