5.1.2 Client-Server. The first constraints added to our hybrid style are those of the client-server architectural style (), described in Section 3.4.1. Separation of concerns is the principle behind the client-server constraints.

Fielding Dissertation: CHAPTER 5: Representational State

A thesis or dissertation is a document submitted in support of candidature for an academic degree or professional qualification presenting the author's research and findings. In some contexts, the word "thesis" or a cognate is used for part of a bachelor's or master's course, while "dissertation" is normally applied to a doctorate, while in other contexts, the reverse is true.
