Textual criticism is a branch of textual scholarship, philology, and literary criticism that is concerned with the identification of textual variants in either manuscripts or printed books. Scribes can make alterations when copying manuscripts by hand. Given a manuscript copy, several or many copies, but not the original document, the textual critic might seek to reconstruct the original text ...

The Waiter review The most recent addition to the complete review is my review of Matias Faldbakken's The Waiter, recently out in English. Yes, yet another Norwegian ! This is the first of Faldbakken's novels to be available in English translation -- but he was one of the few (then-still-)untranslated authors I included in my The Complete Review Guide to Contemporary World Fiction-- because of ...

In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers ...

William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater on any topic that I've ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and

consistently failed to point out the flaws in Craig's arguments.
