Title IX of the Education Amendments of 1972 (PDF)

What Is the U.S. Department of Education? The U.S. Department of Education is the agency of the federal government that establishes policy for, administers and coordinates most federal assistance to education. It assists the president in executing his education policies for the nation and in implementing laws enacted by Congress.

Overview of the U.S. Department of Education (PDF)

The purpose of education has always been to every one, in essence, the same—to give the young the things they need in order to develop in an orderly, sequential way into members of society. This was the purpose of the education given to a little aboriginal in the Australian bush before the coming of the white man.
