The Golden Rule is the principle of treating others as one's self would wish to be treated. It is a maxim that is found in many religions and cultures.. The Golden Rule can be considered an ethic of reciprocity in some religions, although other religions treat it differently.The maxim may appear as either a positive or negative injunction governing conduct:

Iâ€™ve been developing code in SAP HANA for nearly 3 years now, and at the end of 2013, there is now a huge influx of developers. This is good, because it means that mass adoption is here. But it also means that we see a lot of the same mistakes being made. I did some analysis of the questions asked ...
