A great power is a sovereign state that is recognized as having the ability and expertise to exert its influence on a global scale. Great powers characteristically possess military and economic strength, as well as diplomatic and soft power influence, which may cause middle or small powers to consider the great powers' opinions before taking actions of their own.

## **Great power - Wikipedia**

Soft power is the ability to attract and co-opt, rather than coerce ( ). Soft power is the ability to shape the preferences of others through appeal and attraction. A defining feature of soft power is that it is non-coercive; the currency of soft power is culture, political values, and foreign policies.
