About Portable Document Format (PDF) Files What is a PDF file? A Portable Document Format (pdf) file is a self-contained cross-platform document. In plain language, it is a file that will look the same on the screen and in print, regardless of what kind of computer or printer someone is using and regardless of what software package was originally used to create it.

Evaluating Transportation Economic Development Impacts Victoria Transport Policy Institute 2 Executive Summary Economic development refers to progress toward a communityâ€™s economic goals such as increased employment, income, productivity, property values, and tax revenues.

Evaluating Transportation Economic Development Impacts

A parasite is an organism that lives on or in a host and gets its food from or at the expense of its host. Parasites can cause disease in humans. Some parasitic diseases are easily treated and some are not. The burden of these diseases often rests on communities in the tropics and subtropics, but parasitic infections also affect people in developed countries.
