Hand him over to me and I shall know very well what to do

Shall and will are two of the English modal verbs.They have various uses, including the expression of propositions about the future, in what is usually referred to as the future tense of English.. The traditional prescriptive grammar rule stated that, when expressing pure futurity (without any additional meaning such as desire or command), shall was to be used when the subject was in the first ...

or How to Find, Build, and Live in an Unconventional Space. February 8th, 2012 . By far the most common email I get is in response to my (recently former) warehouse living art space. Though my piece on not using shampoo for six months received over 40k views, I rarely ever get emails about that. Yet, I get at least 2-3 emails a week on how to find and how to live in a warehouse, so it has ...
